

WELCOME TO THE MORGAN PLUS 4 CLUB OF SOUTHERN CALIFORNIA!

Celebrating its 69th anniversary in 2024, The MORGAN Plus Four Club is the oldest group of organized MORGAN enthusiasts outside of the United Kingdom. The Club's membership is worldwide. Members everywhere are linked together through the publication of the Club's monthly newsletter, The *FORMAT*. The *FORMAT* contains news of Club's doings everywhere, informative technical information, a calendar of upcoming events and a lot of other interesting MORGAN information.

All members are invited to participate in Club events each month. The Club hosts at least one MORGAN driving activity each month, such as concours, rallies, auto-crosses, tours to places of interest, picnics, parties, etc. In addition, two meetings are held each month. One General Meeting for all members and one Board Meeting for the purpose of conducting formal Club business. The Board meeting is open to all members.

The Club's Regalia Chairman maintains the largest array of MORGAN regalia in the United States. The collection includes books, pins, patches, posters, t-shirts, etc. and items are typically sold at or below the general market price.

Each year The Club, in conjunction with the Northern California MORGAN Club, sponsors an event of national significance to MORGAN enthusiasts called MOGWEST. Usually held on the Central Coast of California in Summer, MOGWEST is the scene of one of the largest gatherings of Morgans in the United States.
